PURCHASING INSTRUCTIONS

**FOR YOUR RECORDS ONLY!
DO NOT SEND THIS PAGE TO US!**

Multiply the the price of each item with the quantity ordering and write the result in the total box for each line. Be sure to include "up charges" listed in the option selector on certain items. Items that are identical with different options that cost different amounts must be on separate lines. You may also use lines to enter required item options and omit their SKU, QTY, PRICE and TOTAL fields. For dog tags, please fill out the the top half of the dog tag order form for each custom dog tag you ordering and submit them with this completed form. Each custom dog tag form provided must corospond with a custom dog tag line item on this form.

Your subtoal is derrived from adding the total column of each line item entered.

Tax must be charged on all orders shipping to Illinois. Due to ever-changing tax rates you should get the current tax rate from our website. The current tax rate will always be posted in the customer service area under the printable order forms sub-section. To get the current tax amount, multiply the tax rate with 0.01, then take the resulting value and multiply it with your order subtotal. The result will be the amount of tax for your order.

Shipping should be calculated by taking your order Subtotal and looking up the appropriate shipping amount from our shipping chart located in the customer service area
